ACHIEVEMENTS

BundelKhand Hackathon 2024   Date:- 26 Sept, 2024
I have participated in bundelkhand hackathon with my project **YOURLab.** It is a healthcare website.

EXPERIENCE

YOURLab Intern- A Satna Incubation Startup: Frontend and App Development Team Lead.| Link
- Designed a responsive, user-friendly interface using NextJS and Tailwind CSS, ensuring accessibility on both desktop and mobile devices.
- Implemented real-time booking and scheduling features using JavaScript, allowing patients to book appointments efficiently.
- Integrated features like doctor profiles, patient records, and appointment reminders to enhance the platform's usability.
- Collaborated with the backend team to ensure secure data handling and user authentication.

PROJECTS

Doctello- A Hospital Management Website | Link

HTML, CSS, JavaScript
- Developed a fully functional hospital management website called "Doctello" to manage patient records, appointments, and staff schedules.
- Designed a user-friendly interface using HTML and CSS, ensuring cross-browser compatibility and responsiveness.
- Implemented dynamic features such as appointment booking, patient registration, and real-time data updates using JavaScript
.

Providern- A Service Finder Website | Link

HTML, CSS, JavaScript
- Created "Providern," a service finder website that allows users to search and connect with various local service providers.
- Developed a responsive user interface using HTML and CSS, ensuring a seamless experience across different devices.
- Implemented search functionality, filters, and service provider profiles using JavaScript, enhancing the user experience.
- Integrated a real-time search feature to dynamically display results as users type their queries.

CERTIFICATE

Microsoft Future Ready Talent | Future Skills Prime | AICTE **| Credentials**   Issue Date: May. 2024
- Learnt **Azure AI technologies** and developed an advanced **Health Bot** utilizing Azure's Chabot functionality.
- Enabled users to harness the Bot for accurate **Diabetes Prediction**, precise **BMI Calculation**, and Health Surveys.

POSITIONS OF RESPONSIBILITY

Management Lead at University Coding Club (AKS Developer Student Club)   Sep. 2023 – Present
